ADMINISTRATION

To the Class of 1988:

The 1988 edition of the Aurora records the major events of your senior year, a pictorial review of extra curricular programs, as well as photographs of the underclassmen, as a reminder of your three years as underclassmen.

As you leaf through these pages, many pleasant memories will be recalled. The older you get, the more pleasant memories. I am confident that your memory will also take you back to your middle and elementary school years. I have enjoyed my association with you through these memories of the Class of 1988 will always be special.

Good luck and best wishes in everything you do.

Joseph C. Harrington, Ed.D.
Superintendent of Schools

You, the Class of 1988, have crossed a "threshold" into something that is different. While you may come back as alumni, you will never come back again as students. You are entering a new room — a room with many doors — and choices of "thresholds" to cross. Almost an infinite number of choices are open to you. We hope that you will choose wisely and that you are well prepared for that next step in your life. As you go through these next years, remember that our best wishes accompany you and that we have enjoyed knowing you and being a part of your life.

Marshall Sawyer
Principal

My best wishes to all members of the Class of 1988. Hopefully your four years at D-R were well spent so that as you enter school or work you'll be able to draw upon the knowledge and experience gained here. In every instance I wish to each of you that good luck, good fortune, and good health follow you always.

George Petrin
Assistant Principal

To the Class of 1988, I offer my best wishes for a future filled with happiness and success. The power is within each of you to be all that you can be. Share your gifts with others and the world can be a better place. Congratulations to all.

Francis M. Marcille
Assistant Principal
Director of Occupational Education

Barbara Streisand sings: "A new day has begun."

Your high school years have now drawn to a close. You are beginning to live your adult life and to pursue you career plans, your dreams for the future. I wish you the very best as this "new day" begins.

I issue you an old Irish blessing: "May God hold you in the palm of His hand until we meet again."

William Henry
Director of Guidance

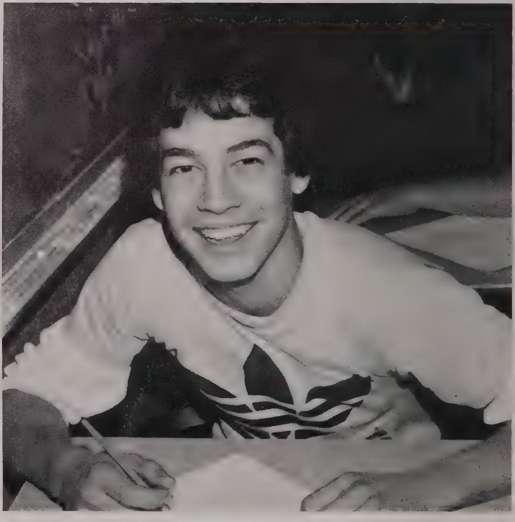
Boy, the camera man is **cute!**



The smile is deceiving.

Who put this in my locker?

No, you can't read this.

Keep smiling and maybe he'll leave us alone!

Pure innocence . . .

You hold him down, I'll take his chalk . . .

Hey, come on, it was right.

It was the right book last night.

BOYS' TRACK

This year's Boys' Spring Track Team had a very successful season, despite an overall record of five wins and five losses. When the season opened in early March, there were five athletes who had any experience in the event. With the good fortune of five year senior athletes Craig Burnett, Chris Malo, and Robert Fraga, most of the events were successfully filled. Senior co-captain Mike Jack and junior co-captain Dave Wood were oustanding throughout the season, oftertimes doubling in two distance events each meet to ensure a successful outcome. In addition to these athletes, the Falcons were led by senior co-captain Scott DaSilva who averaged more than eleven points each meet both on the track and in the field. KLA good, talented turnout of underclassmen — freshmen and sophomores — will also bolster the strength of next year's Falcons.

The D-R Girls' Tennis Team won only one match in 1988, but the progress of each young member made in skill development and strategy execution during the season indicates that the team will be a contender in the SCC next year and thereafter.

Along with improved skills, the attitude, enthusiasm, and unity of the Falcons was equal to or better than any opponent on their schedule.

Individual matches were won at all five levels with victories going to Heidi Stapleton, Jen Kimpton, Shannon Rock and the doubles team of Kim Freed and Lisa Caldwell.

The D.R. tennis team also began to show definite signs of improvement. Having a record of 4-10, the tennis team challenged many teams in their matches. The first singles spot was ably filled by David Quattrucci; the second singles spot secured by Brian Paxson. Chris Lindblom was the third singles player for the team. The doubles team were led by Eric Courcy and Andy McConville, Ron Whitmore and Chris Sanford. Freshman Matt Diminigo also made a fine contribution to the team by filling in when necessary.

The outlook for 1989 appears to be positive. All players will return in hope of achieving new heights for the D.R. tennis program.
